

# Handcleaner Premium

Product Data Sheet | Art.no 25.001-kort

## Description

Pleasantly scented hand soap. Excellent for removing most stubborn contaminants. This hand soap is completely pH neutral and free of any solvents. The carefully formulated amount of natural abrasive agent means daily use will generally not affect the skin.

## Available in

600ml

3L

## Application

Excellent for gently removing a wide range of contaminant from the skin. Removes oil, grease, bitumen, ink etc.

## Instructions for use

Product can be used with or without water. Take the desired amount and rub until the grime comes off the skin. Rinse carefully with copious amounts of water. Dry with a clean towel.
